## DOA4X-PP

### Magnum Transformer Cart

Built to work through every phase of the job, the Magnum DOA4X Transformer Cart is a heavy-duty 4-in-1 material cart that adapts from load-in and transport to staging, installation and beyond. Multiple configurations reduce the need for traditional single-purpose carts, helping crews get more use from one piece of equipment throughout the project. With a massive 3,200 lb load capacity, tool-free handle configurations and premium 8" Max-Endurance TPU Casters, the Transformer Cart is built to keep material moving and crews more productive.

- Transforms into a Rolling Dolly, Drywall Cart, Stake Cart and Flat Cart, without the use of tools.
- All handles store into frame to make transport and storage easy.
- High-quality steel construction w/ durable powder-coated finish
- Ability to connect two carts together end-to-end or side-by-side, while extending the max. load capacity.
