

PRO SERIES

Flat Cart

This heavy-duty flat cart features a 43" x 22" powder-coated steel deck and a 3,200 lb load capacity, built to handle tough jobs with ease. Outfitted with Max-Performance Casters—two fixed, one swivel, and one swivel with lock—it offers a smooth, stable ride and excellent control. Ideal for heavy material transport in commercial and industrial settings.

- Load capacity: 3200 LB
- Heavy-duty steel construction with powder coat finish
- 43" x 22" plate size
- 8" Max-Performance Non-marking Casters: 2 fixed/ridgid casters, 1 swivel, and 1 swivel with lock

MAX PERFORMANCE CASTERS

When you choose Max-Performance Casters, you're choosing to eliminate flat spots, deformation, and accelerated wear—maximizing performance and keeping the job rolling smoothly.

Includes:

8" Max-Performance Non-marking Casters: 2 fixed/ridgid casters, 1 swivel, and 1 swivel with lock
